

ALTHEA A. SCURVIN

PRINCIPAL AND FOUNDER

About Althea

There are three words which describe Althea Scurvin – **Passion, Determination, and Resiliency**. As the founder of VaS Noble, Ms. Scurvin's vision and goal is to create a unique and dynamic organization that is dedicated to re-shaping the market standard of organizational change management, program and project management, and training and outreach services in the changing human capital environment.

Ms. Scurvin is a certified learning and human capital management professional with over 15 years of business management experience implementing numerous enterprise-wide strategic human capital and IT initiatives and programs across multiple functions within organizations and federal agencies. She has assisted various Fortune 1000 companies by implementing custom workforce solutions that are directly aligned with their strategic business goals and objectives.

Ms. Scurvin attributes her success to strong family values, personal integrity, perseverance, and hard work. She is a visionary change agent with a consistent track record for motivating diverse teams and building successful client and vendor relationships. She is driven by her passion for lifelong learning and her strong desire to help others. This desire is the driving force behind her business and work efforts. Ms. Scurvin takes on every challenge head-on and does what is needed to accomplish her client's goals, even when the challenge is difficult. She brings dedication and drive to succeed to your business.
